www.estudioschinos.com/revista.htm

Dear Colleague,

On behalf of the INTERNATIONAL JOURNAL OF CURRENT CHINESE STUDIES, we wish to announce that we are currently accepting manuscripts in all Fields of Chinese Studies.

All articles published will be peer-reviewed. The following types of papers are considered for publication:

- Original articles in basic and applied research
- Critical reviews, surveys, opinions, commentaries and essays

Authors are invited to submit manuscripts reporting recent developments in their respective fields. The submitted papers must be written in English and describe original research not published nor currently under review by other journals. Parallel submissions will not be accepted.

Our goal is to respond to authors' submissions about their paper(s) within one week of receipt wherever possible. All submissions, if relevant to the theme and objectives of the journal, will then go through an external peer-review process.

Prospective authors are asked to send their manuscript(s) in Microsoft Word or PDF format to **editor@estudioschinos.com**, along with a cover sheet containing the following information:

- corresponding author(s) name
- paper title
- affiliation,
- contact details (phone(s), fax number, email address, etc.)

Kind Regards,

Dr. Eduardo Rubio-Ardanaz
